New Dates for Châteauguay Garage Sales

Châteauguay, July 21, 2021 – At the special meeting held on July 19, the municipal council added new dates to the garage sale schedule for this year.

Weekend of August 7 and 8

Last May, due to the public health rules in effect, Châteauguay cancelled the garage sales planned for May 22 and 23 in its territory. Since this is a much-loved activity, the city is pleased to offer new dates for the event, **August 7 and 8, from 8 a.m. to 8 p.m.** The garage sales scheduled for September 11 and 12 are still on the calendar.

Registration

To take part in the sale and advertise their location, residents are asked to sign up on [the official event webpage](#) no later than **Friday, August 6 at 4 p.m.** The information collected will be placed on an interactive map that will be posted on the city's website at ville.chateauguay.qc.ca.

Garage sales are authorized in Châteauguay in compliance with the public health measures in effect.
