## 2021 municipal elections

### Châteauguay is launching an election module designed for residents

**Châteauguay, September 20, 2021** – As we head towards the municipal general elections which will be held on November 7, 2021 in more than 1,100 municipalities across Quebec, Châteauguay is launching an election module on its website providing all necessary information for residents on the different steps of the election process.

The module is available at [ville.chateauguay.qc.ca/elections2021](http://ville.chateauguay.qc.ca/elections2021) and informs residents where and when to vote after simply entering their address. Residents can also consult the list of requirements to exercise their voting right and the key dates to observe, in particular for the revision of the list of electors and voting by mail.

To help residents who have difficulty accessing the Internet, Châteauguay is accompanying the online publication of this information by mailing the *Guide for electors*, a detailed leaflet containing the same useful information in French and in English. All households in Châteauguay will receive this guide in the upcoming days.

#### Contact the Returning Officer

For more information concerning the election process or to obtain specific documents, residents can contact the office of the Returning Officer, Me George Dolhan, by making an appointment by phone at 450 698-3055. You can also contact Me Dolhan by email at [george.dolhan@ville.chateauguay.qc.ca](mailto:george.dolhan@ville.chateauguay.qc.ca).

#### Submitting nomination forms

A position as mayor and eight positions as counsellor are open for election on November 7. The period for submitting nomination forms is scheduled from **September 17 to October 1** (inclusive). Any person who is interested in running as a candidate should download the nomination form and read the guide “Poser sa candidature aux élections municipales” [“*Running as a candidate in the municipal elections*”] available on our website.
